PRESS REGISTRATION FORM

To gain access to any SITC educational activity, journalists and medical/science writers must register for the program providing all requested information as well as abide by the policies of SITC as noted below.

SITC Policies:

- All individuals that wish to register as press must complete and return this press registration form along with a copy of their press credentials. Press credentials will also be required onsite in order to pick up a press badge. No exceptions will be allowed.
- Those registering as press must represent editorial staff. Advertising or marketing representatives will not be registered as press.
- After SITC receives a press registration application form, it will be reviewed and is subject to approval based on SITC management's discretion.
- Applicants will be notified within one week of approval.
- Accepted applications will receive complimentary entry for that program (i.e. waived registration fees).
- Submitting the press registration form does not guarantee receipt of a press pass, and press passes will not be granted to anyone whose principal purpose for attending our event is—in our judgment—for reasons other than covering them as working news media.
- Photography and videography of meeting proceedings are not allowed unless prior written permission is granted by SITC.
- Press wishing to obtain interviews and official statements on behalf of the Society must work with the appropriate SITC Staff member for scheduling with the appropriate representatives.

First Name: _____ Last Name: _____

Media Outlet: _____

Address: _____

City: _____ State: _____

Zip/Postal Code: _____ Country: _____
