Online

Acknowledgement of Financial Commercial Support

Amgen, AstraZeneca, Bristol Myers Squibb, Exelixis, Gilead, Incyte, Novartis, Pfizer

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. If you need MOC credit, you also need to pass a post-test with a score of at least 80%. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society for Immunotherapy of Cancer. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

Amedco LLC designates this live to enduring activity for a maximum of 21.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Amedco LLC designates this activity for a maximum of 21.75 ANCC contact hours.

Pharmacists and Pharmacy Technicians

Amedco LLC designates this activity for a maximum of 21.75 knowledge-based CPE contact hours.

UAN(s): JA4008163-9999-20-149-L04-P / JA4008163-9999-20-149-L04-T

NOTE: The only official Statement of Credit is the one you pull from CPE Monitor. You must request your certificate within 30 days of the activity to meet the deadline for submission to CPE Monitor.

American Board of Internal Medicine (ABIM) MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 18.00 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS.

Objectives - After Attending This Program You Should Be Able To

1. Summarize and integrate the most recent advances in tumor immunology and cancer immunotherapy into basic, clinical and translational research.
2. Analyze cutting-edge clinical trials to incorporate new research and techniques into clinical applications for cancer immunotherapy.
3. Describe immune regulatory pathways that restrict and enhance immunity to tumor antigens, and identify respective targets for therapeutic interventions.
