

As leaders in cancer immunotherapy education, SITC audio/video records educational sessions and provides access to these enduring materials free of charge to program registrants to increase scientific exchange and dissemination of information. **In order to provide an easy-to-use educational experience while respecting content security, all presentation files are password protected and converted to a format that, to the best of SITC's ability, restricts the user's ability to alter, print, copy, or re-distribute materials. All files are also protected under a Creative Commons Attribution-NonCommercial 4.0 International License.**

General Parameters

- You may remove data sensitive slides from your presentation before submitting to SITC for archival purposes and use in enduring material.
- If your presentation is pending publication in a scientific journal, please confirm with the publisher that you may release this information to SITC for archival purposes and use in enduring material.
- By granting permission, you confirm that you have permission from co-contributors/co-authors to send to SITC for archival purposes and use in enduring material.
- By granting audio and video permission, SITC obtains the royalty-free right to use the recording of your presentation for enduring material.
- By granting audio and video recording permission, SITC obtains the right to use your name, voice, photograph, likeness, presentation materials, and biographical information in connection with the exercise of the rights granted above.

I. Permission to Archive Slides and Audio/Video Recording of Live Presentation for Enduring Materials

Your restricted slides and audio/video recording of your presentation will be posted on the SITC website for access to meeting attendees unless you specifically opt out below. The presentations will be available for 6 months after the close of the meeting for complimentary viewing by attendees and at a cost for non-attendees. After 6 months, the presentations will be available at no cost to non-attendees as well.

Please check one:

- ☐ I grant permission to SITC to use my presentation slides and audio and video recordings of my presentation in SITC archives and enduring materials.
- ☐ I do not grant permission to SITC to use my presentation slides and audio and video recordings of my presentation in SITC archives and enduring materials.

II. Release

I hereby release and discharge SITC, its authorized provider and its officers, employees, and agents from any and all claims, demands, and causes of action that I may have against it by reason of its exercise of its rights hereunder including, without limitation, any claims based on the right of privacy, the right of publicity, copyright, libel, or slander related to the materials prepared by me that are unaltered, unedited, and maintained in their original form, format, and content. Further, I warrant that, to the best of my knowledge, the presentation material does not contain any defamatory material or any factual inaccuracies, given the status of the scientific basis of the materials at the time they were produced. Opinions expressed in the presentation material represent my own personal opinions, not necessarily those of SITC or its officers, employees, and agents. The grant contained herein does not limit my right to make any other use of my intellectual property in any other way not inconsistent with the grant contained herein.

Please check one:

- ☐ I warrant that I am the sole owner of all rights in the presentation material and that I have full power to convey the rights granted herein.
- ☐ I warrant that the presentation material to be provided contains certain materials copyrighted by others and that I have (a) obtained the consents of such copyright owner(s) to the use of such materials; and (b) I will cite the source of the copyrighted material wherever used, including use of a valid copyright notice.
- ☐ I represent that I am an employee of the US government and that the presentation material was developed as part of my official duties. As such, the presentation material is not subject to US copyright protection.

I understand that this release form applies only to materials delivered at this conference and that this release in no way prohibits me from using my own material in any manner I so desire.
