

2026 Developing Economy Discount Eligibility

If you are a researcher, clinician or student in a **non-Industry/Biotech setting**, and you **reside and work/study** in a developing economy according to the World Bank, you may be eligible for zero-cost annual SITC dues and programming.

Developing economies are determined by the World Bank according to the GNI per capita, calculated using the World Bank Atlas Method.

If you have questions, please contact SITC Membership at info@sitcancer.org.
