

SITC 2026 Regular, Early Career Investigator Award, and Late-Breaking Abstract – Clinical Only (LBA) Guide: Quick Reference

Regular and Early Career Investigator Award Abstract Submission Deadline: June 25, 2026, at 5 p.m. PT.
Late-Breaking Abstract – Clinical Only (LBA) Submission Deadline: September 10, 2026, at 5 p.m. PT.

Regular and Early Career Investigator Award abstracts will be accepted from Wednesday, April 22, 2026 through Thursday, June 25, 2026 at 5 p.m. PT.

LBAs will be accepted from Wednesday, July 15, 2026 through Thursday, September 10, 2026 at 5 p.m. PT.

Authors of LBAs do not need to submit an application or a place-holder abstract. LBAs should be submitted during the LBA submission period, from **July 15 – September 10 at 5 p.m. PT.** If a Late-Breaking Abstract is not accepted, it will not be published or presented at the meeting. There is no longer an option for it to be considered as a Regular/Early Career Investigator Award Abstract.

General Information

For more information about the 41st Annual Meeting abstracts, including submitting instructions, guidelines and policies, Early Career Investigator Award information, and presentation information please refer to the following:

41st Annual Meeting Abstract Home Page

Helpful Tips

- Always click *Save* at the bottom of each page after making changes to the form.
- To save your submission and return to it later, click *Save* at the bottom of the page. This will save the submission through that page.
- The top navigation bar will show your progress and the steps to complete for your submission. You can quickly move from one page of the form to another. Be sure to save your work before going to another page.
- Regarding clinical trials, all phases of clinical research may be considered for inclusion in the Clinical Trials In-Progress abstract submission, except for completed clinical trials. More information on Clinical Trials in Progress can be found [here](#).
- A full list of the abstract categories and subcategories can be found [here](#).
- **Abstract authors should be listed in the correct order for publication. You can rearrange the order by using the up and down arrows in the *author table*.**
- If you are submitting the abstract and are NOT an author, please make sure your role is showing as “Submitter” in the *Author* step of the abstract submission. Those with ONLY the “Submitter” role will not be included in the abstract author list.
- **The Primary Author is indicated by the first name listed in the author list and will be highlighted.**
- If an author has multiple author roles, you will need to indicate that by selecting the appropriate role (Corresponding and/or Presenting Author). There is not a Primary Author option; you will indicate this by placing that author first in the author list.
- To share your submission, you can select *Print this Page* on the Confirmation page.
- After submitting an abstract, you will receive an email confirmation from sitcancer@confex.com. The Regular and Early Career Investigator Award Abstract notifications will go to the *presenting author* on July 31, 2026. The Late-Breaking Abstract notifications will go to the *presenting author* on September 28, 2026.
- View a summary of the abstracts you have submitted by selecting *Abstract Submissions in the [SITCANCER Gateway](#)*.
