## Sponsorship

The SLA Silicon Valley Chapter offers the opportunity to sponsor events throughout the year. By becoming an event sponsor, your company can gain visibility within our library community while supporting our mission as an educational non-profit organization.

We offer **3 sponsorship levels** with increasing benefits:

### **Startup Sponsorship Level (\$150)**

- Free attendance for sponsor.
- Recognition from the podium.
- Display of company name and logo on event announcements

### **Silicon Chip Sponsorship Level (\$300)**

- All of the above
- Display of company name and logo on our Chapter website for 12 months.

### **Dot Com Sponsorship Level (\$500)**

- All of the above
- An additional free admission to the event
- Opportunity to address attendees as start of the event.
- List of email address of attendees who have opted to share their contact information.

**You can also become a OS Sponsor by sponsoring two or more events during the year for a total of \$1,000 .**

In addition to individual event benefits, Annual Sponsors also receive an invitation to attend the Silicon Valley Chapter's holiday event and recognition at the event.

Please contact our [Vendor Relations chair](#) for more information.
