

## Thank you to the 2023 SME Foundation Donors and Sponsors

The SME Foundation is grateful for the support we received in 2023 from Corporate and Individual Donors. During 2023, more than \$1,486,000 was donated from corporate donors, individual donors, SME Divisions, SME Sections, memorial donations and legacy gifts. Without this support, the foundation would be unable to provide the programs and services critical for the future of mining. Therefore, we want to thank the following donors for their generous contributions.
