

Thank you, 2025 SME Foundation Donors

The SME Foundation sincerely appreciates the support we received in 2025 from our Corporate and Individual Donors. Thanks to this generosity, more than \$1,427,000 was contributed by corporate donors, individual donors, SME Divisions, SME Sections, memorial donations, and legacy gifts. This support is vital to sustaining the foundation's programs and services, which are essential to the future of mining. We extend our gratitude to the following donors for their generosity and commitment.
