

## BSA Jamboree Sponsorship Opportunities

### Mining in Society Merit Badge Booth

July 22-31, 2026

In July 2026, the SME Foundation's Minerals Education Coalition Scouting Sub-Committee will participate in the National Jamboree at the Summit Bechtel Reserve in West Virginia. Nearly 15,000 young men and women, ages 12 to 17, and their leaders will attend this event. All will have the opportunity to discover mining as part of the STEMQuest program, which will be located in the heart of the Jamboree action.

Base funding for the 2026 National Jamboree exhibit will come from the general funds of the Scouting Sub-Committee. Many generous companies and individuals contribute to this fund on an annual basis to help sustain our program, but during a Jamboree year, our need for support is greater than the donations we receive. As a business in the region, we are asking for your support of this important event. In 2023, more than 2,500 scouts and adults visited our booth and 766 scouts earned their Mining in Society Merit Badge.

Please consider participating as either a sponsor or by providing day volunteers

#### Premiere Sponsor: SOLD to Core Natural Resources

- Exclusive sponsorship banner in the booth
- Logo placement on ALL Jamboree-specific swag given to Mining in Society Merit Badge Booth volunteers
- Logo placement on Jamboree-specific swag given to scouts

#### Silver Sponsor: \$1,500

- Logo placement on booth signage and banners
- Recognition in *Mining Engineering* magazine, SMEF newsletter, SME enews, MEC website, SME Foundation website and Mining in Society Merit Badge Web Page as Jamboree Sponsor

#### Day Volunteers

In order to successfully interact with the thousands of scouts coming through the Mining in Society Merit Badge booth, the SME Foundation is asking for volunteers. We would love support from local companies, to send employees to come help at the booth as day volunteers.

Contact Megan Martin at [martin@smenet.org](mailto:martin@smenet.org) for Sponsorship and Volunteer Details and to reserve your sponsorship at this important event!

## Thank You 2026 Jamboree Sponsors
