

2026 Annual Golf Outing

The annual SME Pittsburgh Section Golf Outing was held June 19th at the Olde Stonewall Golf Club. A total of 144 golfers enjoyed a fantastic day on the course, complete with beautiful weather, great food, and friendly competition.

This year's event raised a record-breaking $26,526 in support of the Penn State and WVU Student Grants and the Pittsburgh Section Memorial Scholarship. Thanks to the generous support of participants, scholarships of $5,000 each will be awarded to students pursuing careers in mining. These awards help to support and inspire the next generation of mining professionals.

Congratulations to the following skill contest winners:

Longest drive: Josh Duncan
Closest to the pin: Sam Baker
Longest putt: Kenny Younger

Many thanks to all supporters and guests who attended and helped make this year's outing such a success. Special appreciation goes to the planning committee for their time and dedication in organizing the day's activities, including the auction and meals.

Sincere thanks also go to the generous sponsors whose support helped make the event possible: CB Mining, CEC, CORE Natural Resources, Eriez, Flottweg, GMS Mine Repair & Maintenance, HBT Americas, JADCO Manufacturing, JENNMAR, Komatsu, LCT Energy, Lee Supply, Logi-Tec, Inc., Minova, NeoMag, Operational Technology Consultants, Preston Contractors, R.G. Johnson, Robindale, Rosebud Mining Company, Tetra Tech, and Tunnel Ridge Mine.

Thank you again to everyone who contributed to the success of the outing and to the scholarship fund, which will allow the Pittsburgh Section to make a record contribution to local mining engineering students.

See you at next year's outing!
