## SNAME/CIMarE MEETING NOTICE

### A Pair of Award Winning University Ship Designs

and a Dinner Presentation:

### America's Cup—Advances in Sailboat Design

Join SNAME and CIMarE as they host recent graduates from the University of British Columbia to present two ship design projects completed over the 2012-2013 school year. The first, *Concept Design of a Multi-Purpose Shallow Draft Buoytender for the Canadian Coast Guard*, was honoured by SNAME and ASNE with the Dr. James A. Lisnyk Design Competition Award. The second, *An Innovative Design for a Safe and Affordable Ferry for Bangladesh*, was awarded 1st Place in the 2013 edition of the Worldwide Ferry Safety Association's annual student competition for the design of ferries for developing nations.

The dinner presentation, by Dan McGreer from STX Canada Marine, will discuss the recent technological innovations in sailboat design, with an emphasis on the America's Cup.
