Nomination to the grade of Fellow is a peer-driven process. A complete nomination package must include a completed nomination form and at least three signed letters of recommendation from an initiator and two endorsers, all of whom must be Fellows or Members of SNAME. Additional letters of recommendation may be included from endorsers who need not be SNAME Fellows or Members.

A candidate for the grade of Fellow cannot be the initiator or an endorser of his/her own nomination, and the nominee should not be aware or informed of his/her nomination.

Complete Fellow nomination packages can be submitted to SNAME Headquarters at any time.

The Fellows Committee conducts two evaluation cycles each year, one in the Spring and one in the Fall.

Nominations for the 2020 Spring cycle are due by February 28 and nominations for the Fall cycle are due by June 26.

If you have any questions or would like to submit a nomination, please contact Sofia Iliogrammenou at siliogrammenou@sname.org.
