

As a benefit to SNAME members (both new and renewing members for 2016), you are entitled to a **free 1-year digital subscription to *Professional Mariner***.

Once you join or renew, be on the lookout for an email from the SNAME Membership Department with instructions on how to take advantage of this special offer.

SNAME membership has its privileges!

Tugs, towboats, cargo, government, passenger, spill response, pilot boats, offshore support, salvage, dredge and fireboats - *Professional Mariner* covers them all.

Plus, only *Professional Mariner* gives you all the essential information you need to advance your maritime business or career including the latest news and in-depth, investigative reporting on maritime casualties, regulations, legislation, shipbuilding, safety, technology, business/management issues and more.

So, whether you're shore-side or underway, if you want to stay up-to-date in your field, *Professional Mariner* is for you.
