What is a Space Coast Association of REALTORS® Business Partner Member?

A Business Partner member is a person or business who, while not a REALTOR®, provides a service to the real estate industry.

WHY BECOME A SPACE COAST REALTORS® BUSINESS PARTNER?

The Space Coast Association of REALTORS® is a trade Association of more than 4,300 licensed real estate professionals that you will have direct access to for networking and business contacts. These contacts will help increase your business.

Most people prefer to do business with a firm or person they are familiar with. Business Partner members become a part of the REALTOR® family by attending the membership meetings and serving on focus groups and committees.

Business Partner members participate in our annual fundraising activities. This year, we are supporting Brevard's Children in Need, RPAC (Realtor Political Action Committee) and others. In addition, Business Partner members sponsor education courses and membership meetings, which gets them nose-to-nose with REALTOR® members.

All Business Partner members of our Association appear under the "Find A Business Partner" section of the Space Coast Association of REALTORS®. You may supply a photo for the first affiliate contact, and a company logo, which will appear by your company name on our website. You may also share two posts with our membership every month in our REAL Marketing community. A Business Partner member may add additional affiliates for \$70 each. Your company will also be listed in the Space Coast Association Business Partner Directory. An example of the directory is shown below.
