

GUIDELINES FOR PETROBOWL REGISTRATION — STC 2026

1. Registration Platform

Registration for PetroBowl is done through the same registration link as the Student Technical Congress (STC).

- You can find the ***REGISTER NOW icon*** on the STC website [here](#).
- Alternatively, you may register directly via the provided STC registration link [here](#).

2. How to Register

- Each participant must register individually, just as they would for STC under the **Student registration option**.
- During registration, simply **indicate that you will participate in PetroBowl**.
- When prompted, include **the name of the university you will be representing** in the designated question field.

3. Access to the Congress

- A completed PetroBowl registration automatically grants full access to the entire STC 2026 program. Please find more information about congress activities on our web page [here](#).

4. Participation to the academic presentations and poster exhibition

- Please note that all students are welcome to present their academic research and stand a chance to win awards.
- During registration, ensure to **indicate that you would like to participate in the paper or poster competition**
- Please find information about how to take part in the academic presentations and poster exhibition [here](#).

5. Team Confirmation

- Once all team members have registered individually, the team lead must send the full team details (all participant names + university represented) to: registration@stcgermany.com.
- The STC Organisation Team will contact the team lead with further instructions and additional requirements.

6. Arrival Recommendation

- Teams are strongly advised to arrive onsite before the evening of Wednesday, April 8th 2026 as the introduction of all PetroBowl teams will take place during the evening program on April 8th.

7. Support & Queries

- For any questions or further information, please feel free to contact us. We are more than happy to assist you throughout the process.

8. How to Stay Updated

- We encourage all participants to follow our social media pages linked on the STC website [here](#). to stay informed on all updates related to STC 2026.

We look forward to welcoming you to Clausthal-Zellerfeld, Germany, April 8–10, 2026, for an incredible experience at the Student Technical Congress — **organised for students, by students**.
