

# Conner M. Richardson

2625 Izoro Bend · Cedar Park, TX 78613 · (512) 560-1314 · [conner.richardson@ttu.edu](mailto:conner.richardson@ttu.edu)

## CAREER OBJECTIVE

To apply my academic knowledge base to a summer internship and become an integral part of a work team that deals with the regular challenges of oil and gas production.

## EDUCATION

**Texas Tech University**

Lubbock, Texas

**Graduation Date – May 2016**

Bachelor of Science in Petroleum Engineering, **GPA: 3.6/4.0 (Deans List 2014)**

Concentration in production and EOR

- Formation Evaluation Project – developed a spreadsheet to interpret a well log isolating productive intervals
- Reservoir Engineering Project – evaluated data from build-up and drawdown tests to obtain desired parameters using excel, used the material balance equation to determine reservoir characteristics based on production history, and analyzed a water-flooding example to improve reservoir performance
- Southwest Petroleum Short-course – seminar on developing a correlation to predict the performance of critical flow through surface chokes

## WORK EXPERIENCE

### FFA

Cedar Park, Texas

- Raised and sold multiple pig litters, sold bore at 2010 Bell County Expo Center Pig Sale, Grand Champion pig at 2010 Cedar Park Livestock Show
- Raised multiple steers and sold processed beef to various clients

### **Emerald Point Marina**

Austin, Texas

#### Dockhand

Summer 2014

- Develop customer relationships; perform general maintenance tasks on marina; load/unload boats efficiently

### **Johnson Farm**

Farmington, Washington

#### Farmhand

Summer 2007 – Summer 2009

- Operated and maintained farm equipment, including swathers, combines, and hay balers, cleaned grain elevators, and sprayed crops

## OTHER EMPLOYMENT

### **Dickey's Barbecue**

Lubbock, Texas

#### Cashier

Summer and Fall 2013

### **Wash 'N Roll**

Cedar Park, Texas

#### Detailer

Summer 2012

### **Uncle Billy's Barbecue**

Austin, Texas

#### Server

Summer 2011

### **Volente Beach Water Park**

Volente, Texas

#### Lifeguard (Red Cross certified)

Summer 2010

## CERTIFICATIONS/SKILLS

IADC Well Control Certification

Spring 2015

- Conducted flow tests, shut in procedures, and constant bottom hole circulating methods on a simulator

Proficient in Excel

## AWARDS AND ACTIVITIES

Society of Petroleum Engineers

- 2015 SPE Golf Tournament – 1<sup>st</sup> place in flight

Don-Nan Pump School in Midland, TX

- Saw all steps of pump manufacturing process and developed a thorough understanding of different pump applications

American Association of Drilling Engineers

Texas Tech Inline Hockey Club

- Treasurer, team captain, Division 1 Champions of 2014-2015 season
