

# Tyler Pruski

8290 Real Rd. San Antonio, TX, 78263, 210-875-6004, tppruski@gmail.com

## Objective

Gain an entry level field position where I can demonstrate the knowledge that I have gained through education at A&M and personal experiences.

## Education

Texas A&M University – College Station, TX  
Major: Mechanical Engineering,  
Minor: Petroleum Engineering  
Current GPA 3.3

Graduating

May 2016

## Experience

### Nuclear Science Center Machine Shop Assistant Engineer (Texas A&M)

Jan 2016 - Present

Dec 2013 - May 2014

- I helped design mechanical parts for the nuclear science center, including a mechanical arm used to move radiated samples.
- Replaced ventilation fans and ran conduit for electrical distribution.

### Accounting Assistant (Stephen Pruski CPA)

May 2015-Aug 2015

- Computed cost depletion for oil and gas wells and made sure oil companies were reporting proper amounts. I helped gain one client an extra 20,000 dollars from an oil company mistake.

### Ranch Hand, Every Summer

- Worked outdoors repairing farm implements and other physically demanding tasks

May 2012-Aug 2012

May 2011-Aug 2011

## Special Skills

### Technical Skills

- Current senior design project is to design a pressure vessel for a refinery and I am familiar with refining and industrial processes.
- Easily learn new skills and always mentally over prepare for any task, big or small.
- Very handy with mechanical parts and implements from growing up on a farm.

### Software Skills

- Proficient in Solidworks and Excel
