

SPE Annual Oloibiri Lecture Series & Energy Forum (OLEF2022)

Theme - *Global Energy Transition: Implications on Future Investments in the Nigerian Oil and Gas Industry*

Sponsorship Opportunities

Any income from this event will be invested back into SPE to support many other Society programs. When you support or attend an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. The Scholarship programs, the Student Chapter programs, the Catch Them Young program, the Distinguished Lecturer program and the SPE's Energy Education program, Energy4me, are just a few examples that are supported by SPE.

The following broad categories of sponsorship opportunities are available for the 2022 edition of the annual lecture:

| Category | Sponsorship Level | Sponsorship Slots | Sponsorship Recognition |
|----------|-------------------|-------------------|---|
| Platinum | N5 million | Single | Speech opportunity at event Venue branding (Centre Stage and Entrance) Logo insert in all event documentation Announcement as Sponsor at Event |
