

SPE Golf and Tennis 2016 First Newsletter

HCMC, 4th April 2016

Dear Fellow Golfers, Tennis Players and Corporate & Individual Supporters,

We have been amazed by the tremendous support and interest for this event through the last 15 years. Last year, 2015 you made the tournament a great success during a very difficult year.

The SPE Section is pleased to announce that it has formed the SPE Golf & Tennis Committee (G&T Committee) and it will support the committee to make the tournament this year just as exciting as previous years.

The official headquarters for this year's tournament will be SPE Main Tent, located just opposite the Paradise Golf Club House. Bag drop-off will be at the headquarters to avoid double-handling the bags.

Recognizing the current industry context and having faith in the future, the committee has made a decision to ***give back to our loyal sponsors*** and ***grant them official supporter status this year*** based on Companies generous contribution during the prior years based on both level of sponsorship and contribution of number of players.

We shall not receive any formal sponsorship fee but we call for donation for our charity projects (more information on charity projects can be found in page.2).

Please ***confirm your participation by 5th May*** in order to ***reserve a flight*** and ***to activate your granted sponsorship***, following first come first serve basic. The cut-off date for payment upon confirmation is 30 May for individuals and 30 June for corporates.

The money raised from this tournament over the last 15 years has made a very significant difference for many disadvantaged people in Vietnam. Please contact us for the 2015 detailed charity report.

This year, we are calling for your contribution to support below projects which are urgently needed:

- **Friendly library for kids at outreach areas**, USD 20,000 for 3 libraries
- **Beach cleaning activities**: to clean the beaches in Vietnam and raise local awareness, USD 5,000 each for 5 days of beach cleaning in a year in Vungtau
- **Heart Beat Vietnam**: in coordination with Vinacapital Foundation to save 20 kids from heart defects every year, USD 20,000
- **Bicycle donation to poor smart pupils** in rural areas of BRVT so they can make their way to school.

We would like to express our deep appreciation to the past committee members for their tremendous support and contribution. Without them, the tournaments would not have happened.

All players will have a complimentary golf cart for this year's event. Please be advised that there are an exact total number of carts for the morning flight. These carts must be returned to the clubhouse for use by the afternoon flights. Last year many players failed to return golf carts after the morning round. This created significant problems for the afternoon flights. We respectfully ask all players to please return their carts immediately following the morning round. This will allow the organizing committee to reassign the carts for the afternoon session.

The golf format is the usual Texas Scramble format. Please note that each player in a foursome must contribute a minimum of 3 drives per round. Please comply with this rule as well as all other rules associated with the Texas Scramble format.

There will be special skill holes associated with the golf event as follows:

- Longest Drive
- Nearest to the Pin
- Longest putt
