2. PROVIDE OFFICIAL TRANSCRIPTS

Please request an official transcript and include a sealed transcript with the application package. If you request an electronic official transcript, please send an email to the Chairman informing that this document will be delivered from the university, make sure your name is in the subject line. An official transcript is required by the deadline. No exceptions.

3. SUBMIT A TYPED ESSAY ON ONE OF THE FOLLOWING TOPICS, PLEASE DO NOT EXCEED ONE PAGE

- As the oil and gas industry continues to advance in efficiency and technology, artificial intelligence and data mining play a more prominent role in company work-flow processes. What aspects of the oil and gas industry do you feel could be streamlined by incorporating AI and data mining? How will petroleum engineers need to adapt to have a prominent role in the world's future energy needs?
- Why did you choose a petroleum engineering career? Why do you think it is a good fit for you? What is your long-term goal for your career?
- When talking to someone who has a negative opinion about the domestic oil and gas industry, what arguments do you use to persuade them about its benefits?
- In your educational career thus far, which technical course has been your favorite and why? What knowledge from this class do you believe will be valuable when it comes to your future career?
- How do geopolitics affect the domestic petroleum industry, and what can US do in order to ensure its energy independence?

3.1 IN ADDITION TO YOUR ESSAY RESPONSE, PLEASE INCLUDE THE ANSWER TO THE FOLLOWING QUESTION ON A SEPARATE PAGE

- What has been your biggest challenge so far in working towards getting a degree in petroleum engineering and how did you overcome it?

"Recycled" essays from previous years will be discarded and your application will be considered incomplete. Essays on other topics will not be considered. Please do not submit internship reports as the content may be considered confidential.

4. PROVIDE TWO LETTERS OF RECOMMENDATION

Reference letters may be sent directly to you for inclusion in your application package. If you do not receive your reference letters within the necessary time to include them in the application package, please have them emailed directly to the Chairman to the email address provided at the end of this application.

All letters must be received by the scholarship Chairman before the deadline. Reference letters should be from employers, research leaders and professors, (letters from high school instructors & counselors are accepted only for freshmen). If you have had past internships, you should aim to get one of your reference letters from your internship supervisor.

DALLAS SECTION
SPE Scholarship Application
Academic Year 2023-2024

Scholarships awarded by the Dallas Section of the Society of Petroleum Engineers are contingent upon the recipient being officially registered at a university and enrolled as a full-time student in a curriculum leading to a degree in petroleum engineering.

Application Deadline: On or before August 11, 2023 (application, recommendation letters, and transcript must be received by Dallas SPE Scholarship Chairman by this date and time). Incomplete applications will **NOT** be considered.

ADDITIONAL NOTICES AND ADVISEMENTS:
SCHOLARSHIP AWARD NOTIFICATIONS ARE SENT TO THE UNIVERSITY P. E. DEPARTMENTS. AWARD FUNDS ARE ONLY DEPOSITED TO A STUDENT'S SCHOOL ACCOUNT.

I hereby state that the information submitted in this application is true and correct.

Signature of Applicant: _____ Date: / /2023
