# 2019 SPE ANNUAL GOLF OUTING

We are happy to announce this year's Appalachian SPE Annual Golf Outing to be held **May 10<sup>th</sup>, 2019** at Greenhills Country Club in Ravenswood, West Virginia. This event is always a great opportunity to make new industry contacts and spend time with friends out on the golf course, and we hope you and your organization can join us for this great tradition.

As always, to provide this event to oil and gas professionals in the basin, our SPE section relies on the generosity of sponsoring organizations from throughout the industry. We hope that you and your company will consider helping us host this event by participating in one of our various sponsorship opportunities.

While specific sponsorship details are provided below, all sponsors will have their company's name and logo placed on signage at registration and on the course. Additionally, all sponsors will be recognized during the tournament's kickoff and at the awards ceremony as well as on our section website, social media accounts, and in e-mail distributions. All sponsoring company representatives in attendance will also receive a sponsor's lapel pin to show our appreciation on the day.
