5th Annual Petro at the Park Sponsorship

The Appalachian SPE section is happy to announce the latest installment of our Petro at the Park social outing and networking event, to be held in conjunction with the West Virginia Power on **Friday, August 2nd, 2019** at Appalachian Power Park in Charleston, West Virginia. This event is a highlight of our annual calendar, serving as a night of entertainment and fellowship with industry representatives and community members as we highlight the role of the oil and gas industry in our local communities.

To help offset the cost of this event, our section offers sponsorship of the outing through custom event t-shirts given to all attendees. Each shirt features a front design specific to the Appalachian basin oil and gas industry and a backplate featuring the logos of all sponsoring organizations. Please see the attached photos of shirts from previous iterations of this event as well as this year's shirt design.

\$300 _____ Event Sponsorship – Includes company logo on all event t-shirts, on a banner to be displayed at the ballpark on the night of the event, and on the section's website and all other promotional materials. Sponsorship also includes 2 event t-shirts mailed to the sponsoring office.

\$40 _____ Event Tickets – Companies wishing to purchase tickets for attendees who are not members of SPE may do so at cost. Price includes ticket, Party Deck pass and event t-shirt. Tickets are limited to availability and will be given on a first come, first served basis.

\$10 _____ Event T-Shirts (Sponsors) – Additional t-shirts may be purchased by sponsors at the reduced price of \$10 each, which includes shipping.

\$20 _____ Event T-Shirts – T-shirts may be purchased by non-sponsors for \$20 each, which includes shipping.
