Event: Casper College Student Career Day & Natrona County High School Science Student Presentations

Abstract:

The Casper College geology, GIS, and engineering students will be in attendance to discuss their backgrounds and career goals. If you are looking for summer help or just want to provide some advice, please come interact with these enthusiastic students. The GeoScience Club will also talk about their recent activities and community outreach. Finally, Natrona County High School students in receipt of funding from the Wyoming Geological Association to attend science camp will present on their experiences. Please come out and support all these deserving students.

CALENDAR OF EVENTS and NEWS WYOMING PETROLEUM SECTION

Due to our excellent participation in past continuing education events, we will continue to offer these as they become available. Our web address is <http://wyoming.spe.org>

The SPE Wyoming Petroleum Section will be sending out letters for sponsors for 2026 scholarships soon. Please consider donating to help support students. If you need further information please contact Johnathon True at: johnathon.true@exxonmobil.com

We have moved venues!!

Meetings will be held at the Casper College Union. The luncheon is held in the cafeteria on the first floor of the Union. The presentation will be in room 322 on the third floor of the Union. Let SPE know if you need any help or have any questions regarding meetings.
