Event: **Dr. Tim Considine - University of Wyoming SER - Energy & Climate – A Realistic Outlook**

BIOGRAPHY:

Dr. Timothy Considine is an SER Professor of Economics in the Department of Economics and Finance. He received his Ph.D. from Cornell University. His research on petroleum market analysis has been published in the top economics journals. Recently, The Cato Institute published his paper exploring management policy issues facing the U.S. Strategic Petroleum Reserve, and the U.S. Department of Energy's Office of the Strategic Petroleum Reserve currently uses his econometric model of world crude oil markets to estimate the market impacts of various management policies. Dr. Considine also worked as an economist at Bank of America, and as the lead analyst for natural gas deregulation on the U.S. Congressional Budget Office.

CALENDAR OF EVENTS and NEWS WYOMING PETROLEUM SECTION

Due to our excellent participation in past continuing education events, we will continue to offer these as they become available. Our web address is <http://wyoming.spe.org>

The SPE Wyoming Petroleum Section has sent out letters requesting scholarship sponsors for the 2020 year. Please consider helping out these deserving students in their academic pursuits. Scholarships will be awarded in the Spring of 2020. If you need further information please contact Sabrina Hamner at: sabrina.hamner@wyo.gov

We appreciate your patience as we move meeting locations, which will now be held at the Clarion Inn at Platte River (Old Parkway Plaza).

****Members - Reservations are Mandatory for Meetings ****

Brianna McFarland with WGA is taking phone reservations for meetings at 307-237-0027 or by email at wygeology@gmail.com. RSVP is now mandatory for attendance so please take a little extra time and call or email so that an accurate headcount can be given to the venue for their meal preparation. This also helps us to get scheduled into a meeting room that is adequately sized for our meetings. Your help in this matter is greatly appreciated.
