Event: William Perry Pendley – Mountain States Legal Foundation – *Restoring constitutionally protected liberties and the rule of law after eight years of Obama*

Biography:

William Perry Pendley, president of Mountain States Legal Foundation, was born and raised in Cheyenne, Wyoming, received B.A. and M.A. degrees in Economics and Political Science from George Washington University in Washington, D.C., was a Captain in the United States Marine Corps, and received his J.D. from the University of Wyoming College of Law, where he was Senior Editor on Land and Water Law Review. He served as an attorney to former Senator Clifford P. Hansen (R-Wyoming) and to the House Interior and Insular Affairs Committee. During the Reagan Administration, he served as Deputy Assistant Secretary for Energy and Minerals of the Department of Interior, where he authored President Reagan's National Minerals Policy and Exclusive Economic Zone proclamation. He was a consultant to former Secretary of the Navy John F. Lehman, Jr., and was engaged in the private practice of law in the Washington, D.C., area before his return to the West in 1989. He has argued cases before the Supreme Court of the United States as well as various federal courts of appeals; he won what Time called a "legal earthquake" when the Supreme Court ruled in his favor in the historic Adarand (equal protection) case. His monthly column, Summary Judgment, appears throughout the country; he is the author of five books: *It Takes A Hero* (1994); *War on the West* (1995); *Warriors for the West* (2006); *Sagebrush Rebel* (2013), and *Summary Judgment* (2015). He is admitted to practice law in Wyoming, Colorado, Washington, D.C., and Virginia.

Members - Please Phone in Reservations for Meetings

Jessica Barhaug is taking phone reservations for meetings at 315-6444. RSVP is now mandatory for attendance so please take a little extra time so that an accurate headcount can be given to the venue for their meal preparation. This also helps us to get scheduled into a meeting room that is adequately sized for our meetings. Your help in this matter is greatly appreciated.
