A community of
professionals that lead and
support teacher education on
behalf of students with
exceptional needs

Teacher Education Division (TED)

TED emphasizes the preparation and continuing professional development of effective professionals in special education and related service fields through:

- ☞ Research
- ☞ Professional and leadership development
- ☞ Advocacy

SC-TED strives to...

1. Stimulate and actively assist in the development of programs of professional preparation for teachers and others who serve exceptional individuals;
2. Encourage and stimulate research related to exceptional individuals that extends the knowledge base in personnel preparation;
3. Provide a forum for the exchange of information and research findings among those involved in personnel preparation programs;
4. Study and make recommendations about existing, proposed, and needed legislation affecting special education personnel preparation; and
5. Provide leadership on issues and problems pertinent to personnel preparation in special education.
