Background

• Why online....?
  ✓ Portfolio of 55 active grants;
  ✓ Too much paperwork
  ✓ Too much resources including papers, human resources, space for storage
  ✓ Inaccessibility of data for Researchers
  ✓ Too much reliance on hard files/ grant administration staff;

• Evolution of idea

How does this benefit?

• No need to keep stacks of hard copy files;

• Online access to our researchers and faculty members to view their regulatory records;

• Real-time auto reminders for technical reports, ERC, financial reports and any other deliverables;

• Cost reduction due to paperless environment.
Thank you 😊
