“How Loose Is Your Goose? Managing Non-federal Awards”

- Alice Carey Harding, J.D. | Associate Director
- Office of Sponsored Programs - UAB | The University of Alabama at Birmingham

- Jason J. Claes, MBA, MSM, GRCRA | Manager Clinical Research
- TriHealth Cancer and Blood Institute and Medical Specialties | TriHealth, Inc.

Objectives:

Provide resource and information related to grant management of non-federal funds

Grants Management and Compliance
- Non-profit / Foundation
- Industry (Sponsored)

PI / Donor Initiated (institutional)

Challenges / Recommendations
- Clarify Terms/Conditions
- Expectations of Application/RFA
- Institutional Guidelines (support)

Let’s Learn From Each Other
- Q&A Session

SRA INTERNATIONAL

WHO ARE YOU

ACADEMICS?

NON-PROFIT (I.E. FOUNDATION AND/OR AGENCY)?

STAND ALONE HEALTHCARE?

CONTRACTOR?

SRA INTERNATIONAL

WHO ARE YOU

Any project funded with federal funds, either directly from the federal agency (i.e. DHHS, USDA, FDA, DOD, etc.) or passed-through a state or local agency is subject to federal laws and regulations pertaining to grant compliance.

How can you determine if your grant includes federal funds – What Terms are you supposed to follow?

Source of funding from Request for Application (RFA)

Regulatory Requirements

Notice of Grant Award

Black / White – Or Not spelled out?

Room For Interpretation?

Legal Terms vs. Regular Terms

SRA INTERNATIONAL

COMPLIANCE/REGULATORY

SRA INTERNATIONAL

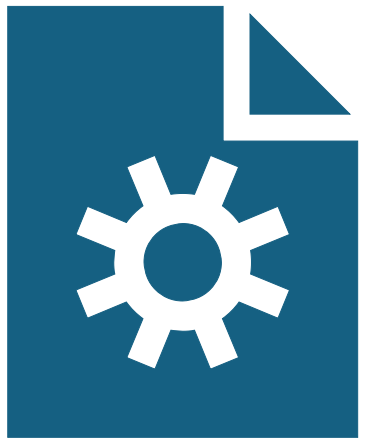
READING AND UNDERSTANDING THE LETTER

SRA INTERNATIONAL

Progress Reporting

SRA INTERNATIONAL

Meeting Milestones



SRA INTERNATIONAL

Funding & Institutional Regulations

SRA INTERNATIONAL

The Law

- Challenges / Recommendations
  - Clarify Terms/Conditions – Jason (sponsored example)
  - Expectations of Application/RFA – Alice (foundation)
  - Institutional Guidelines (support) – Jason / Alice

- More likely in foundational to have cost-sharing requirement
- System challenges regarding award term (time periods)
- Industry (schedule of events)
- Indirect Cost Structure(s)
- Expectations of Collaborators – both internal/external
- Feasibility Review of facilities/resources/accruals

SRA INTERNATIONAL
