SRA INTERNATIONAL ANNUAL MEETING
CHICAGO 2024
OCTOBER 26-30

RESEARCH ADMINISTRATION SERVICE MODELS AT ALL LEVELS

A PANEL DISCUSSION

1

MEET THE PRESENTERS

Melissa Karby, CRA, University of Michigan

Michael Marino, MPA, Northeastern University

Nick Prieur, CRA, University of Michigan

MELISSA KARBY, CRA, ASSOCIATE DIRECTOR FOR RESEARCH ADMINISTRATION

- Associate Director for Research Administration, University of Michigan Office of the Vice President for Research

- Cradle to grave RA operation servicing the research centers and institutes in OVPR (not a central office)

- We sit in between the central office and research institutes, akin to many academic units

- Great customer service is our goal

MICHAEL T. MARINO, MPA, ASSOCIATE DIRECTOR, RESEARCH ADMINISTRATION

- Associate Director, Research Administration, Northeastern University Research Enterprise Services (NU-RES)

- NU-RES provides leadership and expertise to faculty, investigators and college administrators in support of research and sponsored programs at Northeastern University.

- University central office with various units that cover the lifecycle of a proposal/award.

- Northeastern is a global university and NU-RES offers its support with its team working remotely.
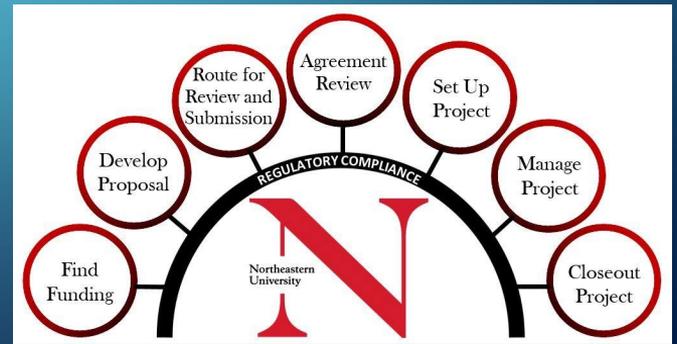

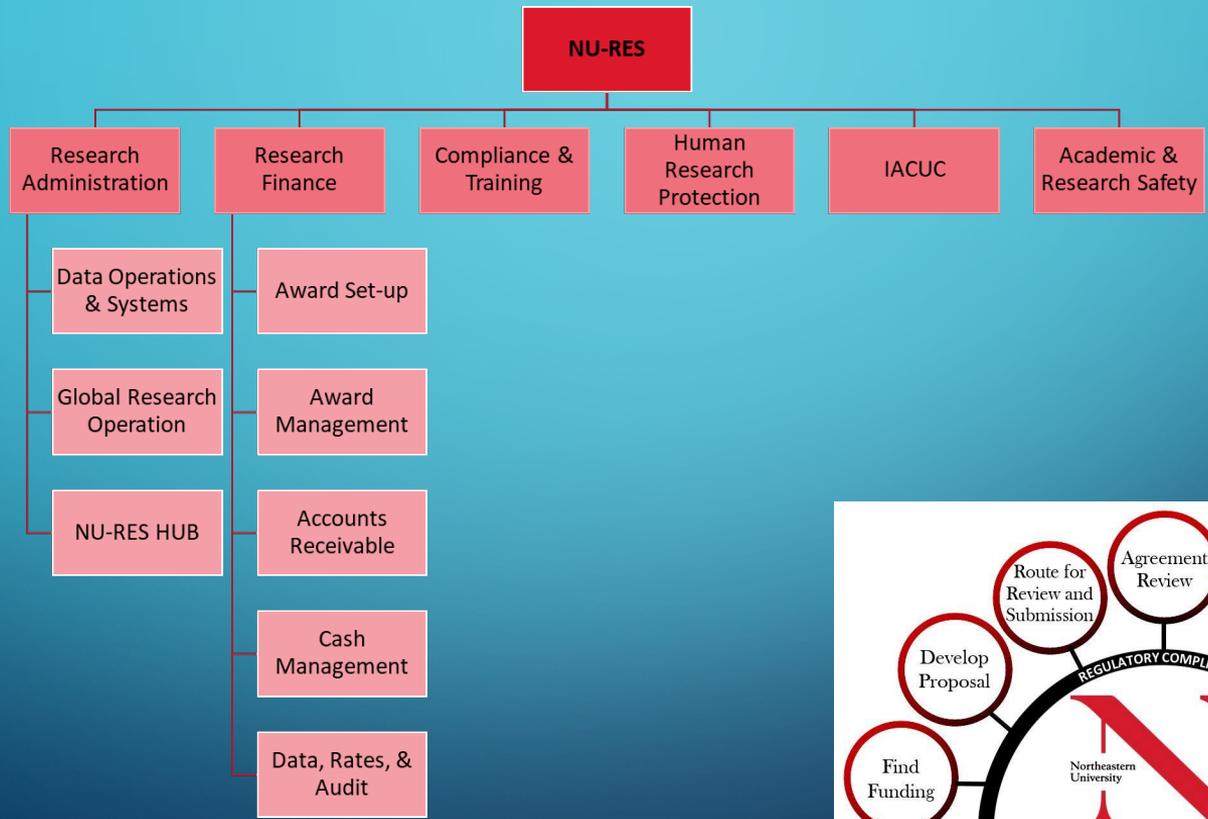

NICHOLAS PRIEUR, CRA, RESEARCH ADMINISTRATION SENIOR MANAGER

- Survey Research Center, Univ of Michigan

- We provide lifecycle research administration support for four large social science research programs ($14 million annually)

- Team covers basics of RA plus white glove "extras" - IRB, social media, website management, editing needs, computing support, publication compliance, event management, etc

- Sit between Office of Research & faculty directly

- Uniquely - team is minimum 50-60% working on sponsored research activities - part of the research "team" working with faculty
