## Kathryn Watkins, M.Ed., CRA, CFRA

Assistant Vice President for Research Administration | The University of Akron

Kathryn Watkins, M.Ed., CRA, CFRA, is a research administrator with over 30 years' experience in the administration and management of university pre- and post-award services. Katie holds a master's degree in adult learning and development and higher education administration from Cleveland State University.

Katie is currently the Assistant Vice President for Research Administration at the University of Akron where she oversees a portfolio of over \$30M in sponsored projects and \$300M+ in sponsored project expenditures.

Katie is also experienced in regulatory compliance, overseeing university animal care, human subjects research, biosafety and radiation safety.

Katie is an active volunteer in the research administration community, serving SRAI as Distinguished Faculty and Co-Editor of the newsletter *The Catalyst* and for the past 15 years, on the Board of Directors of the Research Administrators Certification Council.
