Jennie L. Amison

Director, Sponsored Research Development | San Diego State University Research Foundation

Jennie Amison is the Director of Sponsored Research Development (pre-award services) at San Diego State University Research Foundation. Jennie has over 35 years of experience in research administration. Although her tenure has been in the pre-award area, she has experience in many areas of research administration such as compliance, post-award administration, and sponsor agency funding regulations and requirements.

She has been a an active member of SRA International since 1993. Jennie has been involved in service to SRAI in many capacities, as an officer of the Western Section, track co-chairs on several conference planning committees, and is currently the co-content manager for the Introduction to Research Administration and Management (IRAM) certificate. She received the SRAI Excellence Award in 2016. Jennie earned a bachelor's degree in sociology from San Diego State University, and is a member of Phi Beta Kappa.
