Another year is almost over! Where has the summer gone! For the NOVA 2015 Fall Symposium we are trying a new format. We have decided to make the meeting a little shorter with the same 4 CME's as last year! This means we can all get out and enjoy our Saturday earlier! Because it is only 4 CME's we are dropping the conference rate to \$40.00 for our members.

***The board of NOVA hopes you can join us
October 24th for great lectures, networking and
good food! We want to thank you for your continued
support of NOVA over the years!***
