

SVU/ Pegasus Lectures Order Form

RPVI			
☐	RPVI Exam Simulation CD – (SVU, SVS, and Pegasus Lectures) <i>Two full-length practice exams with explanations, patented analysis, and exam strategies.</i>	Retail \$395.00 SVU Members \$295.00	Fellows \$275.00
☐	RPVI eCourse – (SVU, SVS, and Pegasus Lectures) <i>Interactive, online, comprehensive RPVI review course (with Pass Guarantee)</i>		
☐	<i>Full Course (24 modules)</i>	-- Retail \$695 -- SVU Members \$595	\$415
☐	<i>Physics Only (10 Modules)</i>	-- Retail \$375 -- SVU Members \$325	\$245
☐	<i>Vascular Only (14 Modules)</i>	-- Retail \$475 -- SVU Members \$425	\$345
	-- Any Individual module choose modules below) ☐ P1: Exam Overview & Mathematics ☐ P2: Waves & Attenuation ☐ P3: Creating Scans & Transducers ☐ P4: System Operation ☐ P5: Doppler ☐ P6: Color Doppler ☐ P7: Hemodynamics ☐ P8: Artifacts ☐ P9: Q&A: Bioeffects & Test Validation ☐ P10: Test-taking Strategies ☐ V1: Extracranial ☐ V2: Intracranial ☐ V3: UE Arterial ☐ V4: LE Arterial ☐ V5: Arterial Duplex ☐ V6: Venous ☐ V7: Visceral Vascular ☐ V8: Hepatoportal ☐ V9: Liver and Kidney Transplant ☐ V10: Graft Surveillance ☐ V11: Aorto-iliac and Endograft Assessment ☐ V12: Hemodialysis Access ☐ V13: Quiz Time Part 1 ☐ V14: Quiz Time Part 2		\$35.00 Per module
Physics			
☐	Essentials of Physics: The Board Review Book (Frank Miele) <i>The easiest way to prepare for the physics content of the RPVI exam. This recently released book was written specifically to aid physicians to quickly and easily improve their physics score. Core concepts are followed by key exam questions. Each exam question is fully explained as well as a method taught for how to approach physics questions. (15 Category 1 CME)</i>	Book SVU Member	\$84.95 \$74.95
☐	Unifying Review Physics Video DVD (Frank Miele) <i>A 90-minute comprehensive review that makes the physics concepts much easier to visualize.</i>	DVD SVU Member	\$95.00 65.00
☐	Ultrasound Physics: 4th edition (Frank Miele) <i>This 2 volume textbook is the perfect reference book for ultrasound physics. An Animation and Image Library CD is included, making the physics concepts come to life. In terms of the test, most physicians use this text as a means of triaging those areas in physics which they find most problematic.</i>	Text SVU Member	\$150.00 \$125.00
☐	Vascular Physics Exam Simulation CD ROM (Frank Miele) <i>Three full-length Physics exams including vascular principles. Patented analysis package identifies areas of weakness. Each question is explained in detail.</i>	CD SVU Member	\$165.00 \$98.95
☐	RPVI Physics Triage Card (Frank Miele) <i>This compact, convenient study guide is packed with physics information, highlighting key ultrasound concepts.</i>	Card SVU Member	\$5.95 \$4.95
Vascular Technology			
☐	Vascular Technology eCourse (R. Shugart, K. Carter, S. Talbot, F. Miele) <i>The Vascular Technology Review eCourse, presented by Pegasus Lectures and the Society for Vascular Ultrasound, is comprised of four sections: Arterial, Cerebrovascular, Venous and Vascular Test Principles. 15 SVU CME credits</i>	eCourse	\$275.00

SVU Pegasus Lectures/2013 Order Form

PACKAGE A: Basic Preparation		MEDIUM	PRICING
☐	RPVI Exam Simulation (SVU, SVS, and Pegasus Lectures) Essentials of Physics (F Miele)	CD Book	Retail: \$449.95 SVU Member: \$399.95 Fellows: \$349.95 Pkg Savings of \$50 - \$130
PACKAGE B: Physics Concentration		MEDIUM	PRICES
☐	RPVI Exam Simulation (SVU, SVS, and Pegasus) Essentials of Physics (F Miele) RPVI Physics eCourse (10 modules) (Frank Miele)	CD Book eCourse	Retail: \$904.95 SVU Member: \$792.95 Fellows: \$574.95 Pkg Savings of \$50 - \$380
PACKAGE C: Most Comprehensive/Most Popular Package		MEDIUM	PRICES
☐	RPVI Exam Simulation (SVU, SVS, and Pegasus) Essentials of Physics (F Miele) RPVI eCourse (24 modules) (Frank Miele/SVU/SVS)	CD Book eCourse	Retail: \$998.95 SVU Member: \$863.95 Fellows: \$744.95 Pkg Savings of \$176 - \$430!

Add to any package: Unifying Physics Review Video DVD (F Miele): \$45 – normally \$95
