

# Knowledge is power. Especially with Autodesk.

## Become an Autodesk Certified Instructor today.

### Discover what's possible!

Expand your skills and stand out in the learning partner community as an expert in all things Autodesk. We empower Autodesk Certified Instructors (ACI) to train the innovators of tomorrow in Autodesk solutions, enabling them to adapt in an ever-changing world.

Learn more at [aci.autodesk.com](https://aci.autodesk.com).

### Requirements to earn an Autodesk Certified Standard Certification

- ▶ Must be an Affiliated Instructor with an active, authorized Autodesk Learning Partner
- ▶ Complete the Autodesk Instructor Approval to Train Autodesk Products Request Form
- ▶ Review ACI Program Guide and Autodesk Learning Central (ALC) Log-in Instructions
- ▶ Obtain an Autodesk Instructor ID Number from affiliated Learning Partner
- ▶ Create your Autodesk Learning Central Profile; log in to ALC; review site's navigation
- ▶ Complete ALC Course ID: CRS-16-11138 instructional methodologies course
- ▶ Maintain active, continued use of Autodesk Training Evaluation System

Our Learning Partner Distributor will explain **more** about the ACI Program requirements, benefits, and how you can begin to earn your ACI credential.

**Don't wait for  
progress. Make it.**

**Explore becoming an  
Autodesk Certified  
Instructor—start your  
journey today**

## **Relevant professional development and advanced product course offerings**

With our visionary Learning Partners, we want to help make a better world for everyone. Autodesk's Certified Instructor authorization is an attainable challenge with realistic instructor requirements. Becoming an ACI offers a tangible, immediate return in advancing your expertise, securing future revenue streams, and attracting sustainable new customers and long-term business.

Authorized Academic Partners (AAP), or Authorized Membership Training Providers (MTP) are invited to pursue becoming an Autodesk Certified Instructor. ACI's represent greater legitimacy and quality by empowering learners and boosting your organization's training and services capability.

**Start your journey to becoming an Autodesk Certified Instructor by contacting the Site Manager at your Autodesk Authorized Training Center, Autodesk Authorized Academic Partner, or Membership Training Provider.**

## **Stand out from the competition, with expertise and credibility**

Show off your competitive edge and attract learners with an appetite for knowledge. Your ACI credential is authenticated and verified through Credly, Pearson's professional recognition and digital credentialing leader.

Professional instructors affiliated with Autodesk Authorized Training Centers (ATC®),

An Autodesk Certified Instructors' value is demonstrated with the common language of their verifiable digital badge. After you complete the ACI requirements you will earn your credential and can socialize your ACI badge to others. Learn more here: [info.credly.com](https://info.credly.com)
