Let Rego Be Your Guide

YOUR TBM, SPM AND FINOPS EXPERTS

Learn more at regoconsulting.com

WHY REGO?

We're a team of veteran TBM, FinOps, and SPM practitioners – **with over 150+ years of combined Apptio experience**. Rego provides hands-on Apptio, Cloudability and Targetprocess configurations as well as TBM, FinOps, and SPM guidance and best practices. We build innovative, game-changing add-ons like regoEngage, and train and mentor customers through Rego University.

We provide consulting services to over **650 organizations**, including **70% of the Fortune 100**. Our 240+ consultants are dedicated to bringing value to our customers.

OUR SERVICES

Apptio Costing and Planning - TBM

A Real Partner to Help You Realize the Full Value of Your Apptio Investment

Whether it's implementing a new Apptio module, supporting your current configuration, or revitalizing your deployment, Rego brings experience and thought leadership to our customers.

- Senior TBM Practitioners with real-world experience
- Apptio best practice and guidance tailored to your organization
- Over 150 years of combined TBM experience
- Deep technical knowledge to solve even the most complex challenges

Cloudability - FinOps

FinOps and Cloudability Certified Practitioners Help Optimize Your Cloud Spending.

Employ a cost management strategy that brings transparency to cloud spend, reduces waste, and maximizes business value from the cloud.

- Bring Accountability to Cloud Spend
- Improve Purchasing Decisions
- Leverage FinOps Best Practices

Targetprocess - SPM

As Apptio's Agile Partner of the Year, Rego Propels Your Enterprise Business Agility.

Rego's comprehensive strategic portfolio management solutions are designed to guide your organization from vision to successful execution.

TBM + SPM

A Unified Approach for Value Optimization

Rego bridges TBM and SPM to eliminate silos and create a closed-loop system that drives alignment, accountability, and results. Through seamless Apptio-Targetprocess integration, we help IT and business leaders connect investments, capacity, and outcomes.

- Unified TBM-SPM Framework
- Expert Cross-Functional Guidance
- Proven Apptio + Targetprocess Integration
