Let Rego Be Your Guide

Why Rego for Apptio?

Rego is Your Value-Added Partner for Apptio

Are you looking for a partner to help you get the most from your Apptio investment? Whether it's a implementing a new Apptio module, supporting your current configuration, or revitalizing your deployment, Rego can help.

Competitive Pricing

Rego's lean organization allows us to offer discounted consulting, training, and support at rates that are typically 20% to 30% less than competitors.

Managed Support

We specialize in world-class, managed support for Apptio. You'll work with experienced, knowledgeable practitioners who have 5 to 10 years of Apptio experience. Our flexible, pay-for-what-you-use model provides only the services you need.

Proven Methodology

Instead of simple tool configuration, Rego's expert guides leverage best practices to guide you. We deliver results you can see, fast, while our proven Crawl-Walk-Run approach reduces time-to-value on your Apptio investment.

Customized Training

We are experts at developing and delivering low cost, high-value Apptio training solutions. Let our senior consultants guide you through the development of a custom, solution-based training strategy, or pick and choose from our full suite of standard technical and functional courses.
