TENT ALLOWANCES

Food & Non-Alcoholic Beverage Contact: Maulana Dotch, PGA/LPGA - General Manager
713-526-0077

The TEMA Foundation **IS NOT** responsible for making tent arrangements regarding food and beverage needs. The Foundation will ensure you have a tent (if requested for \$100). You are allowed to bring pre-packaged goods (snack food and non-alcoholic beverages). However, you **MUST** contact the golf course directly to arrange any cooked food and alcoholic beverage needs.

By signing up for a sponsorship that comes with a tent, you acknowledge the following guidelines:

General Guidelines for Food and Beverage:

1. Vendor Setup

- Vendors are responsible for providing everything needed for their tent setup, including tents, tables, chairs, trash cans, coolers, signage, and any other supplies. If requested the Foundation will supply a tent and a table for \$100.
- The golf course does not provide equipment for vendor tents.

2. Cooked Food and Alcoholic Beverages at Vendor Tents

- You may have alcohol and cooked food at your tent; however, you **MUST** contact the golf course (info listed above) to arrange allowed items.
- Anyone serving alcohol **MUST** be TABC certified and will need to provide the course a copy of their current TABC certification before the event.
- Vendors **MUST** coordinate with the golf course by September 18th for cooked food and alcoholic beverages so all approvals and documentation can be completed prior to event day.

3. Snacks, Treats, and Food Items

- Pre-packaged snacks and treats are generally permitted but must be approved.
- Any vendor serving prepared food should coordinate with the course in advance.

4. Grills or Cooking Equipment

- Vendors are not permitted to bring grills or cook at their tent unless approved in advance by the golf course.
- Any approved cooking equipment must comply with all safety requirements and be placed in an approved location.
