

In a recent Eblast to our members, it states that MFNS webinars are the #1 ranked member benefit. MFNS provides you access to our **library of free webinars on the MFNS website** for CPEUs and Non-CPEUs for your career development learning, or teaching and precepting. MFNS puts great time and effort to provide our members this benefit.

**Focusing on the future, would you be willing to present a webinar to your fellow MFNS colleagues?**

Webinars are 1-hour and require prior approval of your topic, objectives, and slides by the Academy. MFNS is there for you every step of the way from content development to CDR approval to presentation.

Please let us know by **February 23** by responding to this email if you would like to present on a topic or know an RDN or NDTR who would be great presenter(s). Here are some topic ideas that our members would like to know more about:

1. The latest techniques and approaches to **project management**
2. The latest trends in **healthy culinary menus and products**
3. Innovations in **kitchen design and equipment**
4. New approaches to **customer service and care** (e.g., retail, outpatient, inpatient, or local community)
5. Latest trends in **senior dining** across multiple segments (e.g., independent living to nursing/skilled care)
6. Taking your **food service operations to the community** (outreach)
7. Other ideas?

Send an email to [mroseman@olemiss.edu](mailto:mroseman@olemiss.edu) with your name or a nominated presenter's **name, email address, and topic.**

Thank you,

**Mary Roseman, PhD, MBA, RDN**

**Chair, Management in Food and Nutrition Systems DPG of the Academy of Nutrition and Dietetics**

**Professor Emeritus**

**Department of Nutrition and Hospitality Management  
University of Mississippi**

120 S. Riverside Plaza, Suite 2190  
Chicago, Illinois 60606-6995
