

DHCC Annual Report 2015-2016

Report to the Membership Kathy Weigand, RD, LD/N DHCC Chair 2015-16

We would like to say “Thank you” for your past loyalty and future support. It is DHCC’s goal to provide members with the most up-to-date information possible to keep them on the cutting edge of practice. *You*, the DHCC members, are the most important part of DHCC; without our members, DHCC would not exist. The 2015-16 DHCC Annual Report follows.

DHCC membership works in long term care (LTC), corrections, transitional care, and many other venues. As baby boomers reach retirement age, LTC continues to change and the challenges grow with reimbursement, regulations and increasing populations. It is our goal to provide the very best education and information for our members to meet the challenges that face them every day while providing nutritional care to their

residents/clients.

There were many activities in 2015-16 including the following:

None of this would have been possible without our dedicated volunteers and staff.

The DHCC Executive Committee who have given so much time and effort for the members.

The DHCC Nominating Committee whose work ensures the continuation of leadership.

The corporate sponsors without whose help we would not be able to accomplish so much.

The DHCC Executive Director, Marla Carlson, who keeps the group on track to meet the Strategic Plan and Program of Work throughout the year.

The Past Chairs and founding members; without their vision and determination DHCC might not be here today.

Susan DuPraw, our Academy DPG Relations Manager who daily provides guidance and knowledge.

Thank you to all. It has been my privilege to have served as your Chair in 2015-16. This is an amazing group of professionals!
