

## Report to the Membership Dana Fillmore, RDN DHCC Chair 2016-17

We would like to say “Thank you” for your past loyalty and future support. It is DHCC’s goal to provide members with the most up-to-date information possible to keep them on the cutting edge of practice. *You*, the DHCC members, are the most important part of DHCC; without our members, DHCC would not exist. The 2016-17 DHCC Annual Report follows.

DHCC membership works in health care communities - predominantly long-term care (LTC), but also corrections, assisted living, and many other venues. As baby boomers reach retirement age, LTC continues to change and the challenges grow with reimbursement,

regulations and increasing populations. It is our goal to provide the very best education and information for our members to meet the challenges that face them every day while providing nutritional care to their residents/clients.

There were many activities in 2016-17 including the following:  
DHCC continues on Social Media with a Facebook page and a LinkedIn page.

The Membership and Professional Development Committees continued to serve.

**Pocket Resource for Nutrition Assessment, 2017** Edition neared completion.

Collaboration with Association of Nutrition & Food-service Professionals (ANFP), specifically in webinar offerings and joint meeting planning.

None of this would have been possible without our dedicated volunteers and staff. The DHCC Executive Committee who have given so much time and effort for the members.

The DHCC Nominating Committee whose work ensures the continuation of leadership.

The corporate sponsors without whose help we would not be able to accomplish so much.

The DHCC Executive Director, Marla Carlson, who keeps the group on track to meet the Strategic Plan and Program of Work throughout the year.
