

ONCOLOGY NUTRITION SYMPOSIUM

April 24 – 26, 2020

Renaissance Phoenix Glendale Hotel

EVENT/ATTENDEE OVERVIEW

This biennial event is the premier educational event for Registered Dietitians/Nutritionists who work with cancer patients.

The Oncology Registered Dietitian/ Nutritionist (RDN) is the answer to problem solving cancer patient nutrition issues. The Oncology RDN helps the cancer patient to find the nutritional products that best meet their individual needs. We anticipate 350-400 Oncology Registered Dietitians will attend. Our members work at NCI, University, and Community Cancer Centers across the country.

EXHIBIT OVERVIEW

Past exhibits were limited to tabletop displays. In response to continued conference growth in recent years, the symposium will expand in 2020 to feature a dedicated exhibit hall with 10' X 10' booths for the first time ever! Exhibitors will have time to interact with attendees during meals, breaks, and the poster reception, which will all be held in the exhibit hall. Attendees will be invited to visit exhibit booths and collect stickers on a card in order to be eligible for prizes, which helps increase booth traffic. The basic exhibit schedule is listed below. Note - the exhibit hall will close on Saturday afternoon, but exhibitors are welcome to stay through Sunday morning if they wish to attend sessions.

	Day	Time Period
Set Up	Friday, April 24	Midday
Exhibits Open	Friday, April 24	Poster Reception 6 to 8pm
Exhibits Open	Saturday, April 25	Breakfast Morning Break Lunch Afternoon Break
Teardown	Saturday, April 25	Late afternoon/evening
