

## 2019-2020 NEHP Annual Report

### NEHP Vision

Optimize the nation's health as leaders in nutrition education of health professionals.

### NEHP Mission

Empower food and nutrition professional to be the valued source of nutrition education of health professionals.

### NEHP Goals

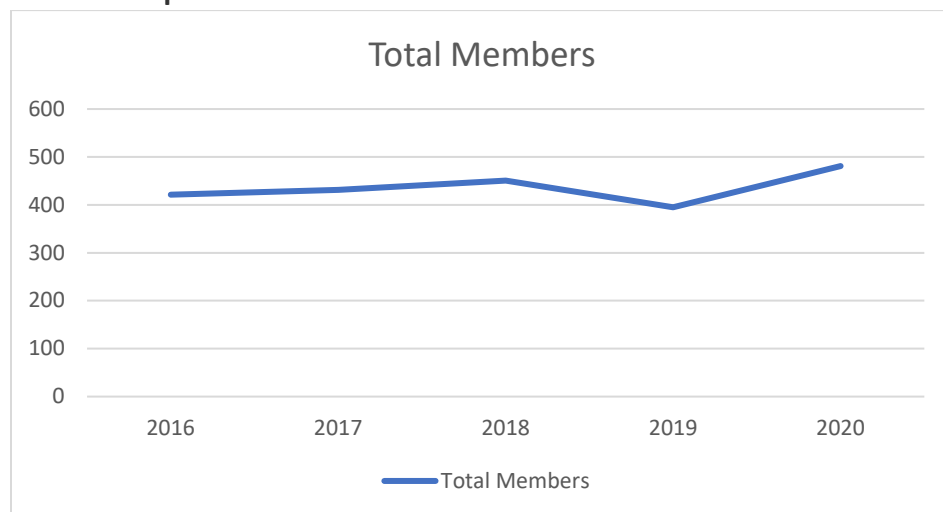

1. Improve the quality of nutrition education of the health professionals.
2. Provide a forum for communication/information exchange.
3. Define and provide for the ongoing learning needs of health professions.
4. Provide resources for the development, implementation and evaluation of nutrition curricula.
5. Establish and maintain alliances with other health professional groups.
6. Advance nutrition education of health professionals through public policy initiatives.
7. Provide forums for consultative services and mentoring.
