

Diabetes Dietetic Practice Group

Resources for Practice, Career and Clients

The Diabetes Dietetic Practice Group (DDPG) of the Academy of Nutrition and Dietetics provides the resources you need to stay current in the field of diabetes nutrition. Access top-notch publications, education, news and trends to effectively practice in today's ever-changing healthcare landscape.

On the Cutting Edge

**\$70 per issue for non-members (yearly subscription \$160);
Free for DDPG members**

Distributed in print and available electronically. *On the Cutting Edge* is a peer-reviewed journal featuring articles on current topics in diabetes management and education.

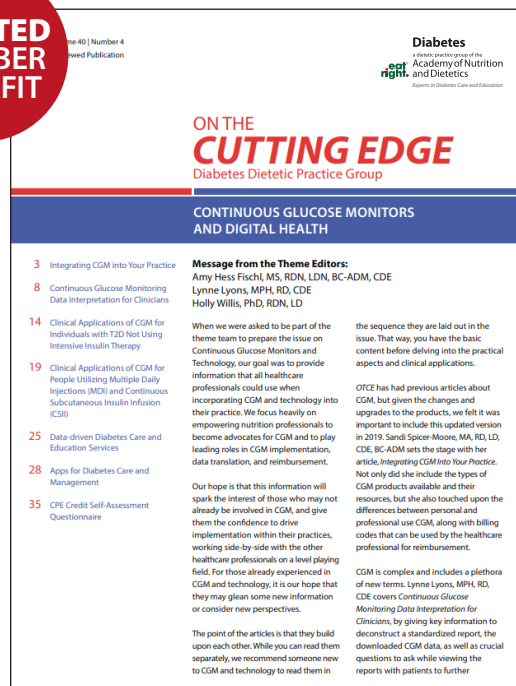

Each issue focuses on one broad theme and provides 4 continuing education units to readers. Recent issues focused on:

- Collaboration and Individualization: Evidence-Based Meal Planning Approaches
- The Spectrum Of Hypoglycemia From Fear to Confidence
- Double Teamed: Collaborative Approaches for Mitigating CVD Risk in T2D
