Bring Food and Nutrition Expertise to the Table

Who is a Registered Dietitian?
Registered dietitians are food and nutrition experts, translating the science of nutrition into practical solutions for healthy living. The expertise, training and credentials that back a registered dietitian are vital for promoting positive lifestyle choices.

Trust a Registered Dietitian
When you need food and nutrition information based on fact or need to know how a healthy diet improves health and fights disease— rely on qualified professionals in the field.

Registered dietitians draw on their experience to develop a personalized nutrition plan for individuals of all ages. They are able to separate facts from fads and translate nutritional science into information you can use. A registered dietitian can put you on the path to lowering weight, eating healthfully and reducing your risk of chronic disease.

RD=Expert
Registered dietitians know the science of nutrition. They have degrees in nutrition, dietetics, public health or a related field from well-respected, accredited colleges and universities.

Looking for a Registered Dietitian?
When you need trusted, accurate, timely and practical nutrition advice, seek the services of a registered dietitian.
