Passover Rolls

*Ingredients:*

- ⅓ cup oil
- 3 eggs
- ½ cup water
- 1 cup matzo meal (Use ½ cup matzo cereal – it makes it lighter and fluffier.)
- ½ tsp. salt
- 1 tbsp. sugar

*Directions:*

Preheat oven to 375°F.
In a small pot, bring oil, water, salt, and sugar to a boil. Remove from heat. Add matzo meal and eggs into the pot. Mix together well. If it looks a little runny, add a little more matzo meal.
Grease cookie sheet. Wet your hands a little bit. Mold concoction into small child fist-sized balls and place onto cookie sheet.
Bake at 375°F for 1 hour.
