### **Important Changes to Licensure Requirements**

In the new MOPRO system, licensees and applicants will be required to submit proof of or demonstrate continued lawful presence in the United States.

Federal law 8 U.S.C.A §1621, requires individuals be "lawfully present" to hold a license to practice. "Lawfully present" people are U.S. citizens or foreign residents holding specific VISA status or other legal authority to work in the United States. Acceptable documents demonstrating lawful presence are listed below.

Proof of lawful presence also helps us protect you against the fraudulent use of your personal information in the licensing system.

<u>Proof of lawful presence will be required for all new applications and reinstatements (from a lapsed, inactive, or expired status) after January 14, 2025.</u>

#### U.S. Citizenship:

- (1) A REAL ID driver's license
- (2) A birth certificate showing birth in one of the 50 states or territories of the United States
- (3) A signed United States passport; current or expired.

# Financial Crimes Enforcement Network (FinCEN) Beneficial Ownership Information (BOI) Update

On March 21, 2025, the Financial Crimes Enforcement Network (FinCEN) issued an <a href="Interim-Interi

Entities formed under the laws of a foreign country that are registered to do business in a U.S. state or jurisdiction ("foreign reporting companies") are still subject to the BOI Rule and must file reports with FinCEN. U.S. persons who are beneficial owners of a foreign reporting company are exempt from having to report.

FinCEN issued this interim rule to realign its rule with two executive orders aimed at reducing regulatory challenges and burdens across multiple agencies. Given the interim rule changes, FinCEN is seeking comments for a 60-day period regarding the interim rule and will issue a final rule at a later date. However, the exemption from reporting business ownership information for U.S. companies and U.S. persons took effect on March 21, 2025.

NAR will continue to track the BOI Rule and provide updates on the final rule once it has been issued.

#### FCC One-to-One Consent Rule Vacated

On January 24, 2025, the FCC issued an Order postponing the rule up to one year. On the same day, the 11th Circuit Court of Appeals vacated the One-to-One Consent Rule.

<u>Until further notice, the One-to-One Consent Rule will not take effect, but previous TCPA</u> regulations issued by the FCC remain in place.

Real estate professionals use telemarketing calls and texts to promote their services to consumers, which can be an effective tool when implemented in compliance with relevant laws. The purported purpose of the Rule was to require that telemarketers and sellers of a product or obtain express written consent directly from the consumer, known as 1-to-1 consent, before using an ATDS or sending artificial or prerecorded voice messages.
