

### **Commemorating the 50th Anniversary of the Fair Housing Act**

Missouri REALTORS® will be accepting applications between April 25 and July 31, 2018, from Local Boards/Associations requesting grant funds for activities that promote fair housing in our communities. We are calling this the “\$50,000 in the 50<sup>th</sup> Year” Grant Program.

Our goal is to be flexible and encourage creativity. Therefore, grants can be requested in any amount, up to \$5,000, for any purpose as long as the activity promotes cultural diversity and the ideals of fair housing. Possible activities include:

- Event or activity commemorating the 50th Anniversary of the Fair Housing Act.
- Participation in a local community HUD required Fair Housing Assessment process.
- Grants to address local fair housing issues with local fair housing organizations or government fair housing agencies.
- Activities or programs designed to expand the inclusion of diversity in the leadership fabric of the local board/association.
- Partnering with a local chapter of the National Association of Real Estate Brokers, National Association of Hispanic Real Estate Professionals or Asian Real Estate Association of America.
- Compensating an instructor for the [Leading with Diversity Workshop](#)
- Embracing the role of REALTORS® in advancing fair housing and leading efforts to address community fair housing issues.
- Activities that seek to enhance the diversity of our membership and board/association leadership.

To review NAR resources for additional ideas, visit [www.fairhousing.realtor](http://www.fairhousing.realtor).

NAR also provides grants for most all of these activities as well. Grant information can be viewed here: [Diversity grants](#). Receiving an NAR grant does not preclude you from getting a Missouri REALTORS® grant for the same activity.

50<sup>th</sup> Anniversary of the Fair Housing Act

“\$50,000 in the 50<sup>th</sup> Year” Grant Program

Date:

Amount Requested (Max \$5,000):

Association Name: \_\_\_\_\_
