1) AFFILIATE dues are non-refundable. 2) AFFILIATE Membership does not entitle one to use the word "REALTOR", which is trademarked and reserved for members of the Association. 3) The Budget Reconciliation Act of 1993 contains a provision which eliminates the deductibility of lobbying expenses of corporations and trade associations as a business expense for federal income tax purposes. Therefore, the dues paid to local and state associations are non-deductible to the extent of the association's lobbying expenditures on state and federal issues. Please note that 26% of the state dues for an AFFILIATE Membership is not deductible as a business expense on federal tax returns.
