

## ***HONOR SOCIETY***

To recognize Professionalism through Participation, Education and Service

**PURPOSE:** The primary purpose of Missouri REALTORS® Honor Society is to recognize and reward high professional achievement of members who seek excellence through education and who voluntarily contribute their time and skills to board and association leadership. The people who bring credit to the real estate industry statewide deserve the special recognition of their peers. Missouri REALTORS® Honor Society is designed to bring members that recognition.

**ELIGIBILITY:** The Honor Society program is designed for both new REALTORS® and REALTOR-ASSOCIATES® and for those who have held membership for many years. Very little recognition is given for past achievement, since the basic concept is to award active qualification points for professional education and for REALTOR® activity that ultimately results in better service to clients and customers.

**QUALIFICATIONS:** The qualification period is from January 1 to December 31, 2023. **Applications will be accepted through March 22, 2024 --NO EXCEPTIONS.** Honor Society membership is not a one-time qualification. Yearly qualification is required in order to encourage continuing activity and involvement. A **minimum** of 150 points **per year** is needed in order to qualify or maintain membership. An application form is on the following page. It lists, in detail, the point breakdown by category. Missouri REALTORS® may at its discretion, require complete documentation of a member's participation by requesting letters from Local Board/Association leadership to verify qualification. Complete the form, **total your points** and return it to Missouri REALTORS®.

To qualify, applicants **must have** points in Sections A, B, E **and** F. *No Exceptions.*

**AWARDS:** Certificates of membership and plates/plaques will be sent to the Local Board/Association President or AE, for presentation at a Local Board/Association function, so that the individuals recognized as members may be seen by their peers as high achievers.
