Grow With Us in 2026

For fifty years, the Tennessee Primary Care Association has stood as a steady presence in communities across our state — deeply rooted in the health centers, providers, and patients who make Tennessee stronger. Our 2026 Annual Conference marks a milestone: five decades of advancing access to quality primary care.

This year, we invite you to be part of the celebration. Sponsoring the TPCA 2026 Annual Conference places your organization in front of the leaders, clinicians, and decision-makers who drive Tennessee's community health center movement — the very people your products and services are built to support.

The pages that follow outline our sponsorship, branding, and exhibitor opportunities. We look forward to putting down roots together.
